OLD BUSINESS:

NEW BUSINESS:

1. **Request from Kevin Brian of Harpeth Valley Utility District to close a portion of Holly Tree Gap Road near the Manley Lane intersection to install a 42 inch waterline. (HC Wilson; CC District 8, Sturgeon/Rainey).**

Jeff Seal of Garney Construction presented an overview of the project and requested permission to close a portion of Holly Tree Gap Road starting on December 18, 2021. Mr. Seal presented the plans for construction on the project and stated that message boards will go up two weeks prior to the start of the project and that detour routes have been established and added that fire hydrants will be out of commission during the road closure, however; fire safety plans have been established while the road is closed. He added that the proper authorities have been made aware of the fire safety plans and emergency responder routes.

Mr. Seal also gave an overview of the plan to repair the road after the waterline has been installed. He stated that the road will initially be repaired with a cold mix patch because the asphalt plants will be closed until Jan 2, 2022. After the first of the year a binder patch will be put down followed by the final asphalt repair in the spring. He added that the project will take place over a five day period when schools are out for the Christmas Holidays.

Superintendent Hood recommended approval of closing Holly Tree Gap Road beginning on December 18th. He added that he is pleased with the plan to repair the road after the project is complete.

Commissioner Tyson moved to grant permission for the closure of Holly Tree Gap Road on December 18th. It was seconded by Commissioner Coleman and passed unanimously, 4-0.
