**PUBLIC INVOLVEMENT MEETING #4 PRESENTATION**

This material was presented by Mike Matteson and Katy Rucker, members of Williamson County Planning Staff during the meeting. The presentation provided a brief review of the Plan's process, including timeline and events. In addition, Staff presented the draft versions of both the Objectives and the Plan Concepts.

A copy of the presentation is available on the Meeting Notes page.

**DRAFT OBJECTIVES**

The draft Objectives are available on the Meeting Notes page for review.

**PLAN CONCEPTS**

Character Areas are sub-areas within the Village boundary. Dividing the Village into Character Areas allows us to supplement the overall Vision, Goals, and Objectives for the Village with recommendations that are more specific and that are tailored to a particular part of the Village.

The boundaries and recommendations of each of the four Character Areas were based largely on citizen feedback.

The draft Character Area boundaries and recommendations are available on the Meeting Notes page for review.
