

Williamson County Health Department

WIC Program

Population Served

The WIC target population is low-income, nutritionally at risk:

- Pregnant women (through pregnancy and up to 6 weeks after birth or after pregnancy ends).
- Breastfeeding women (up to infant's 1st birthday).
- Non-breastfeeding postpartum women (up to 6 months after the birth on an infant or after pregnancy ends).
- Infants (up to 1st birthday).
- Children up to their 5th birthday.

Benefits

The following benefits are provided to WIC participants:

- Supplemental nutritious foods;
- Nutrition education and counseling at WIC clinics; and
- Screening and referrals to other health, welfare and social services.

WIC can offer certain special formulas as well as other nutrition supplements for children per the pediatrician's request.

Interpreting services are provided.
