

Humana Pharmacy[®] mail delivery

More and more Humana members are finding Humana Pharmacy to be their choice for value, experience, safety, accuracy, convenience and service.

Why choose Humana Pharmacy?

Savings. Many Humana plans provide cost savings if you fill a 90-day supply of your maintenance medicine through a mail-delivery pharmacy, instead of a retail pharmacy. Plus, the pharmacy team works with you and your doctor to find medicine that costs less.

Experienced pharmacy team. Pharmacists are available to answer questions about your medicine and our services.

Safe and accurate. Two pharmacists check your new prescriptions to make sure they're safe to take with your other medications. The dispensing equipment and heat-sealed bottles with tamper-resistant foil help ensure quality and safety. Plus, your order comes in plain packaging for additional security.

Timely reminders. To help make sure you have the medicine and supplies you need when you need them, we can remind you when it's time to refill your medicine. Just set your preferences when you sign up at HumanaPharmacy.com.

Time-saving mail delivery. No driving to the pharmacy and waiting in line. You may be able to order just four times a year and have more time to do the things you enjoy.

The life of a prescription

1. Humana Pharmacy receives your prescription order. Your doctor can send us your new prescriptions by fax, phone or electronically. Or you can send new prescriptions by mail with an order form. Order forms can be downloaded at **HumanaPharmacy.com/forms**.
2. The pharmacy checks your Humana pharmacy benefits coverage, enters your order and creates a unique shipment number.
3. A pharmacist checks your prescription order for accuracy and possible drug interactions.
4. Approved orders go through the payment process. If your health benefits don't cover the medicine, the pharmacy will check the claim and fix the problem. If they cannot fill your prescription, they will return it to you and tell you why.
5. An automated system fills your medicine and a pharmacist makes sure it matches the label before it's sealed.
6. Humana Pharmacy mails the order to you with important information about your medicine.

You should get your new prescription by mail in 7 – 10 days after Humana Pharmacy has all the necessary information. Your refill should arrive within 5 – 7 days. It may take longer if they have to call you or your doctor with questions about the order.
